

## DECLARATION

Attorney Docket No. 10008-1195P1

As a below named inventor, I declare as follows:

My residence, post office address, and citizenship are as stated below next to my name.

I believe that I am an original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled Block copolymers based on poly(ortho esters) containing amine groups, the specification of which was filed in the US PTO as Application No. 10/295,766 on November 14, 2002.

I state that I have reviewed and understand the contents of the above-identified specification, including the claims.

I hereby claim the benefit under 35 USC 120 of US Application No. 09/991,537, filed November 16, 2001, now US Patent No. 6,524,606.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

Address all written correspondence to:

Customer Number 25213.

Direct all telephone calls to:

Derek P. Freyberg, at (650) 324-7014.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 USC 1001, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

WHEREAS, we, Steven Y. Ng and Jorge Heller, are the original, first and joint inventors of certain subject matter entitled Block copolymers based on poly(ortho esters) containing amine groups (the "Invention"), for which we have filed US Patent Application No. 10/295,766 in the US PTO on November 14, 2002;

AND WHEREAS, A.P. Pharma, Inc., having an address at 123 Saginaw Drive, Redwood City CA 94063 ("A.P. Pharma"), a Delaware company, desires to perfect its right to the Invention and in the Letters Patent to be obtained therefor from the United States of America;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we acknowledge A.P. Pharma's interest in the Invention and hereby assign to A.P. Pharma for the United States of America and all countries foreign thereto all our right, title and interest, including all rights under the Paris Convention for the Protection of Industrial Property, in the Invention, as described and claimed in Application No. 10/295,766, or in any continuation, division, reissue, reexamination or extension thereof and any legal equivalent thereof in a country foreign to the United States of America; the Invention, application and Letters Patent to be owned by A.P. Pharma, its successors, assigns and legal representatives, to the full end of the term for which such Letters Patent may be granted.

This assignment is effective as November 14, 2002.

I have read and understand this Assignment document for Application No. 10/295,766 and agree hereto, as indicated by my signature below.
